Graham Cracker Challenge

Challenge
Your Challenge is to create a graham cracker structure and then present a performance in which you name and present your structure.

Time
You will have up to 40 minutes to create a graham cracker structure, and then up to 2 minutes to present your performance.

Procedure
Part One (40 minutes)
You will have up to 40 minutes to use the creative process and your collective team skills to create a graham cracker structure. Each structure must have a name and incorporate at least two special features. Special features must be physical things that are attached to or associated with your graham cracker structure. They can be, but are not limited to: entryways, extra floors, magical lawns, etc. There are no other restrictions on the structure.

In addition to creating the graham cracker structure, you will use this time to name your structure and plan your performance.

Part Two (2 minutes)
Present a performance in which you name and present your structure.

Materials
You may only use the materials provided. However, if you’re participating in this Challenge with other teams, you may barter with teams for items that you may not have.

- One box of graham crackers
- One container of icing
- A variety of candy

Scoring
A. 20 points for the creativity of your structure.
B. 10 points if your structure includes two special features.
C. Up to 10 points for the creativity of your jolly structure name.
D. Up to 20 points for the creativity of your performance.
E. Up to 20 points for how well your team works together.
