CLASSROOM ACTIVITY

CHALLENGE 

The team is to build one device that can do 3 different, creative things and then to present a performance in which you use the device to do all 3 things.

TIME 

You will have up to 5 minutes to use your imagination and problem solving skills to create your device. You will then have up to 2 minutes to present your performance.

SET-UP 

In the center of the room is a table with materials.

PROCEDURE **Part One (5 minutes):**

- Use the materials on the table to create a device that can do 3 different, creative things.
- Plan and practice your performance.

Part Two (2 minutes):

- Present your performance.
- Be sure to use the device to do all 3 things in your skit.
